### **against Admiral Markets AS and Admiral ulaganja d.o.o.**

The Croatian Financial Services Supervisory Agency (hereinafter: Agency) alerts investors and potential investors to the activities of Admiral Markets AS, Ahtri 6a, Tallinn, the Republic of Estonia, and Admiral ulaganja d.o.o., Draškovićeveva 5, Zagreb, the Republic of Croatia, carried out in the Republic of Croatia.

Admiral ulaganja d.o.o. is a company that uses its website <http://www.admiralmarkets.hr> and media in the Republic of Croatia to offer Croatian investors, without authorisation from the Agency, opportunities of trading in Forex, gold, oil, CFDs and futures through Admiral Markets AS, a company with the registered office in the Republic of Estonia.

The Agency warns potential investors that none of the two companies have authorisation from the Agency to carry out the said activities in the Republic of Croatia pursuant to the Capital Market Act (Official Gazette 88/08, 146/08, 74/09).

The Agency therefore urges investors and potential investors to exercise extreme caution when making a decision about accepting an offer made by Admiral ulaganja d.o.o. and Admiral Markets AS, as the Agency does not monitor the lawfulness of business operations of such companies, nor can it have any influence on the protection of rights and interests of investors dealing with companies and/or persons lacking appropriate authorisations and/or licences from the Agency. Furthermore, no claims against such companies are covered by the Investor Protection Fund.
