

Notification of approved prospectus to Hanfa in the case when the Republic of Croatia is the host Member State (*passporting in*)

Upon the issuer's request, Hanfa shall, when acting as a competent authority of the host Member State, inform the issuer on the receipt of notification of the prospectus or the supplement to the prospectus, delivered by the competent authority of the home Member State. Issuer which prospectus is notified to Hanfa (when acting as a competent authority of the host Member State) is not obliged to publish a notice stating how the prospectus has been made available in the Republic of Croatia.

Hanfa (when acting as a competent authority of the host Member State) shall include Final terms of the notified base prospectus in the list published on its web page of notified prospectuses, after receiving them from the competent authority of home Member State.
